tablet. All smartphones, Ipad and Samsung Galaxy tablets are supported. The 10000 mAh battery allows you to charge your smartphone for about 40 extra hours and your tablet for about 15 extra hours *. You can charge them using the included micro-USB charge cables, or use your phone or tablet's charger cable.

* depends on brand/model and battery condition. Ratings based on iPhone 5 and Galaxy Tab 4 7.0. For indication only

Smart and safe design

Thanks to the LCD display, you can always check the battery status of the powerbank and make sure you never run out of power by charging the powerbank again. The Trust GXT 777 includes a Smart Protection System, which ensures safe and fast charging of your devices.

LED light

When you're out camping, hiking or when you just need some extra light, you can also use the handy built-in flashlight of the powerbank. Easily create light, whenever and wherever you need it.
