Extended retailer text	The Trust GXT 140 Manx Wireless Mouse with built-in rechargeable battery is your weapon to handle every attack. From sniping down your opponent to commanding a whole army, with the GXT 140 you'll have victory in the palm of your hands.
	Never ending playtime
	The GXT 140 works wirelessly and has up to 200 hours of playtime! Simply put the wireless receiver in your PC or laptop and you can build your in-game skills for hours. Finished playing? Store the receiver in the mouse itself or leave it in your PC or laptop. Even charging your mouse doesn't have to hold you back: plug in the included USB cable and continue playing.
	High precision
	With the 3000 DPI optical sensor, the Manx is designed for gamers on their way to becoming the next eSports

champion. The fast response time, its military precision and continuing comfort makes the difference between losing and winning.

Plug, play, win

Choose one of the 6 different colours to match your gaming set-up. The GXT 140 features 8 responsive buttons, including 2 thumb buttons to easily go forward and backward. The Manx is designed to fit naturally in your hand, simply take the Manx out of the box and perform instantly. No software required to setup the buttons, you can directly use them for your gaming activities.
