tablet at ultra-high speed.

Quick Charge 3.0

The charger supports 5, 9 and 12V output with a maximum of 18W. The Qualcomm Quick Charge 3.0 technology ensures that your and other Qualcomm Quick Charge 3.0 compatible devices such as Samsung Galaxy S7/S8/S9/S10 are charged at 18W. But not only Android devices, also fast charging Apple devices are quickly charged at 12W speed.

Full compatibility

Other devices that support USB charging will be charged at high 10W or normal 5W speed. The auto-detect function ensures that all your devices are charged at the highest possible speed. Your smartphone, tablet and powerbank will be ready to go within the shortest period of time.

Ideal for travel

Its compact design makes it perfect to take with you, no matter where you're going. The charger works at 100V up to 240V which means that you can charge your phone anywhere in the world with an appropriate adapter plug. Also, this wall charger protects against overload and short-circuit: you can always recharge your devices everywhere safely.
