## Marketing

Extended retailer text	<p>The Trust Cantus Bluetooth Wireless Earphones will change the way you listen to music: its special, lightweight design ensures wireless movements. You can keep going continuously because of its free listening experience.</p> <p>The right fit</p> <p>The Cantus offers a secure fit for all the activities you have planned for that day. The flexible and slender design</p>
------------------------	--

makes sure the earbuds will stay in your ears. Additionally, the package contains three sizes of ear shells to guarantee the earbuds will fit you perfectly. The Cantus has a flat wire for organized and untangled storage.

No strings attached

The earphones play your jams wirelessly via Bluetooth with a range of 10 meters. Connect your phone and you will not be bothered by tangled wires that keep interfering with your movements. Whether you’re enjoying a walk outside or dancing to your favourite music, you won’t be limited anymore!

Take control

The in-line buttons and built-in microphone allow for accessible media control. You can navigate easily through your music and adjust the volume for an optimal listening experience in any setting. Even when you’re on the road, you don’t have to take out your phone to pick up a call.

Uninterrupted action

The headphones have up to 5 hours playtime on a single charge for uninterrupted action. The battery is easily recharged with the included USB cable.
