Marketing

Extended retailer text	The Trust GXT 211 Reyno Microphone for PC and laptop connects you with your gaming team. With this high-performance microphone, you can discuss your team's strategy, ask for backup and simply have fun together!
-------------------------------	--

Stand strong

You don't have to worry about moving around and knocking over your microphone. With the weighted desk stand, you always stand strong. This microphone completes your gaming set-up, the attractive red LED illumination serves as your communication beacon which leads your team to victory.

High-level talk

With the mute function on the microphone, you can easily mute the sound with a single push of a button. Easily switch from talking to your online friends to a private conversation with the people in the room. The Reyno also features a volume control wheel so you are set for clear and distortion-free communication.

Instant connection

Plug and play: simply plug in the 1.40m USB connector adjust the arm for perfect placement and you will be instantly in contact with the world online.
