Extended retailer text	Take the party with you wherever you go! With the Ziva Wireless Bluetooth speaker you can combine your favourite music with a light show and enjoy your music on a whole new level.
------------------------	---

A light show that reacts to your music

From now on listening to music is going to be more fun with the Ziva Wireless Bluetooth speaker. The speaker has built-in LED-lights that can create 7 different light shows that you can set as you wish. The lights will shine and move to the rhythm of your music, regardless of your music style. Connect your smartphone, laptop or tablet via Bluetooth and you're ready to party!

Portable party

The compact design of the Ziva Wireless Bluetooth speaker allows you to take it with you wherever you go. With up to 6 hours of playtime and 10 meters wireless Bluetooth range, you can dance and party all night. The rubber grip on the bottom of the speaker will make sure it stays in place, even when the bass drops. A micro-USB cable is included, so you can easily charge the speaker.
