Marketing

Extended retailer text	The Trust Lito Backlit Multimedia Keyboard has bright, eye-catching white LED backlit keys. This combined with the comfortable, full-size layout allows you to work effortlessly at any time of day, for any length of time. Continue working in the dark The bright, white LED illumination does not only look good but gives you the possibility to work in the dark. Whether you're finishing that important report or finally defeating that in-game enemy; you will be able to

continue working and playing in the dark. The keyboard's LED illumination can easily be switched off again during the day.

Multimedia keys

For easy control of your multimedia, the Lito Backlit Multimedia keyboard features 12 keys with multimedia functions. This allows you to adjust volume, start a search or open your email with just one click of a button.

Easy to use

The keyboard is very easy to use. Just plug in the 1.5m USB cable and you can start typing immediately. Plug in and go; even in the dark!
