Marketing

Extended retailer text	<p>The Trust GXT 344 Creon Gaming Headset equips you to fully immerse into game-mode without any distractions. The multiplatform gaming headset provides you with the powerful sound and comfort you need to smoke out your enemies. You'll become the next gaming champion!</p> <p>Powerful surround sound</p>
------------------------	---

The powerful 40mm speakers surround you with rich and clear stereo sound. You will hear the rustling trees, fired shots in the far distance or that enemy coming up from behind: surprise your enemies with immediate and resolute reactions.

Be in control

This multiplatform headset has a 1m cable to connect to the PC. Lengthen the cable with the included 1m cable for easy use with the PlayStation 4, Xbox One or Nintendo Switch. The remote control makes sure you have easy volume control so that you can stay fully concentrated on your game at all times. It will be your preferred gear for any game!

Communicate effectively

The foldable short microphone is your accessory for crystal-clear communication with your team members. Discuss your technique, ask for reinforcements or alert them on incoming enemies; never lose a game again over foggy communication.

Long lasting comfort

Experience comfort like an e-sports professional with the soft and comfortable over-ear pads. This combined with the adjustable headband makes that you are perfectly outfitted for those long gaming sessions. Your enemies will go up in smoke.
