vibration gives you a deep, intense atmospheric sound experience in every game. This in combination with the exceptional sound quality, the GXT 354 surrounds you with the reality of your games.

Strengthen your position

The Creon headset ensures enduring comfort you can build on in those fierce gaming sessions. The earcups fit perfectly around your ears to cancel any noise that can distract you when you're trying to reach that perfect score. Accustom the adjustable headband to make sure you are outfitted for victory.

Open communication

The GXT 354 features a 2m cable with USB connection for a high-quality sound and voice. Guide your teammates through the mist towards a triumphant win with the crystal-clear communication by means of the foldable microphone. The in-line remote with volume control and microphone mute make sure you have your sound control within reach.
