Extended retailer text	<p>Dive deeper into your game with the Trust GXT 383 Dion 7.1 Bass Vibration Headset. With this powerful sound engine, you will be able to pinpoint your enemy with mathematical precision and blast them away with the roars of your attack!</p> <p>Deep experience</p>
------------------------	--

With the virtual 7.1 surround sound, you will experience gaming on a next level. The powerful 50mm active bass vibration speakers create a deep, intense atmospheric sound feeling. This in combination with the exceptional sound quality, the Trust Dion headset will bring your gaming experience to the next level. Listen to what you’ve been missing!

Digital connect box

This headset comes with a revolutionary connect box to guarantee optimal sound input (SPDIF). Connect your console gamepad directly to the connect box for in-game chat and control and finetune the incoming voice audio separately from the gaming sounds. The inline remote volume and bass control make sure that you can easily adjust the volume when playing your favourite game on PC, PlayStation 3 or 4, Xbox 1 and Xbox 360.

Illuminate your gear

This headset’s sound experience and illuminated design will complete your gaming set-up. You are crowned as a true leader and you will lead your teammates out of the darkness towards resounding triumphs. This headset is designed to make you stand out and get noticed!

Comfort

The Trust GXT 383 Dion headset is perfect for prolonged comfort during those fierce gaming sessions. The fit of the earcups helps to cancel any noise that holds you back to reach that perfect streak. The microphone is retractable, allowing you to pull it out when you need it or push it back in for safe storage. Its flexibility together with the self-adjustable headband ensures a perfect fit.
