streaming using for example Skype, Facebook or other video platforms. The integrated dimmable LED lights make sure you have a clear image day and night! You can put the webcam on top of your laptop screen or simply place the webcam on a flat surface for stable video imaging.

Let yourself be heard

Whether you hold the microphone in your hands or use it hands-free, you can always stream clear sounds. The microphone is equipped with a mute switch and tripod stand which allows you to use it in the most comfortable way possible. Thanks to the long 1.3m cable with 3.5mm plug, you can place the microphone anywhere on your desk.
