Marketing

Extended retailer text	<p>Are you also busy every morning untangling your headphones? With the Duga this is a thing of the past. The Duga combines a tangle-free design with a modern look, super sound and optimal functions.</p> <p>Tangle-Free Cable</p>
------------------------	--

The tangle-free design differentiates these headphones from other standard headsets. The flat cable of the Duga ensure that your headphones will never get tangled up. And thanks to the modern look and different colors you can easily match it to your style.

Stylish Earplugs and Design

The outstanding design of the Duga with its soft rubber finish follows the same design as the bigger Duga on-ear headphone and complements any outfit you wear. In addition, the colorful prints on the ear-plugs give the Duga its fresh look. To ensure a perfect fit, three different sized rubber earplugs are included. Thus, you can fully enjoy your music without being distracted from other noise.

Media Features

With the Duga you cannot only enjoy your music but also pick up calls. When using it with a smartphone the built-in remote control serves as a call-pick up button. When listening to music the remote provides media features.*
