## Marketing

Extended retailer text	<p>The Trust Asto 2.1 Sound Bar Speaker Set for PC and laptop fills the room with compelling and rich sounds. This sound bar's compact and horizontal design will save you space as well as bring style to your home. It is allied with the powerful sound of the subwoofer for a complete sound experience.</p> <p>Attractive design</p> <p>The sound bar combines style with portable, compact forms: its space-saving horizontal design fits perfectly</p>
------------------------	---

below any PC monitor or TV screen. You will hear its rich and compelling sound around the room, no matter where you place it. Connect, sit back and enjoy!

Sound experience

Whether you're watching your favourite sports team win, playing the latest game or listening to relaxing music, the peak power of 40W (20 RMS) ensures a clear sound. The joint forces of the sound bar and subwoofer give an impressive, wealthy sound experience in any setting.

Next level sound

Easily turn up the volume with the large, illuminated control knob on the sound bar and separately unleash the bass with the control on the subwoofer. The sound bar offers great connectivity options thanks to the headphones and microphone plugins which are conveniently placed on the front side of the sound bar.

Smart power management

The speakers automatically turn to standby mode after 30 minutes when not in use for smart power management. As soon as you continue your game or start watching TV again, the speaker will turn back on for uninterrupted playtime. Turn the Smart Power Management off when you need full power constantly.

Specifications

Total weight	1.850 g
Weight of main unit	1.600 g
Type of speaker	2.1
Accessories	cinch adapter cable
Hands-free phone calls	false
NFC	false
