Marketing

Extended retailer text	Allow your kids to safely and comfortably engage in music, movies, video games and learning software with the Trust Sonin Kids Headphones. The fun and playful design make it an excellent gift for every child. Colourful design The Trust Sonin is perfect for those long trips. These headphones with colourful and lightweight design keep a
------------------------	--

child entertained for hours. They can be used with a tablet, computer or TV thanks to its 3.5mm plug and the adjustable headband and soft ear pads make sure your child is comfortable at all times.

Safety first

The Trust Sonin Kids headphone features a built-in volume limitation, which makes it safe for children to use without damaging their ears. With the in-line remote control, you can easily adjust the headphones’ volume, to a child-friendly maximum level. Additionally, the Trust Sonin is made of materials compliant with the highest European standards for toys and is suitable for children of 4 years and older.
