Ultra-thin

This keyboard is lightweight and slim, perfect to take anywhere with you. Or use the keyboard on your desk and save precious space because you won't have to add any wires. The Nado will look great everywhere with its white keys on silver base design.

Keys with great response

The keys of the Nado have a quick response because of the scissor type mechanism. This combined with their isolation from other keys and low-profile makes sure you can type smoothly and quietly. The keyboard also features 13 multimedia keys for your convenience. These keys work with your iPhone and iPad, Android and Windows. Be in control!

Bluetooth

Connect this keyboard via Bluetooth: within a few clicks you'll have stable command over your devices within the 10-meter wireless range. To save on battery you can easily turn the keyboard on and off.
