while you are advancing through that essential campaign.

Open communication

With the flexible microphone, you can comfortably chat with your friends and teammates while gaming. You'll have crystal clear sound which is distortion free. In this way, you will not miss a word when talking to your teammates during that one crucial battle.

Integrated control

The GXT 380 has an extra-long nylon braided cable of 2m which allows you to move around freely during a game. The cable includes an inline remote with volume control and microphone mute: you will be soundly in control.
