Marketing

Extended retailer text	<p>The Trust GXT 1222 Charging Grip is made especially for your Switch controllers. With this grip, you can transform two controllers into a gamepad. And this is not all, apart from using the controllers as a gamepad, you can charge them at the same time.</p> <p>Comfortable gaming</p> <p>Connect the charging grip with the included 2.75m USB cable, click the controllers into the grip, and they will start charging automatically! And you don't even have to pause your game, once the controllers have been connected, you can continue gaming comfortably in gamepad-style for hours at a time.</p> <p>Get the green light</p> <p>The charging grip features players indication lights to show to which player the charging grip belongs to. It also</p>
------------------------	---

has a red charging indicator for each joy-con and gives you the green lights when your controllers are fully charged. In this way, you are set to fully enjoy your Switch!
