Marketing

Extended retailer text	<p>Enjoy gaming on your Switch without having to worry about whether your controllers are charged fully for that gaming session you have planned. The GXT 1224 easy-to-use charging dock charges up to 4 original Switch controllers simultaneously.</p> <p>Ready to play</p> <p>This charging dock is made for your convenience. Simply place up to 4 controllers into the dock and they will be</p>
------------------------	---

charged automatically. The dock is powered by your own console's USB port. Power up the console or put it into standby mode: your controllers will now start charging to get you ready for your next gaming party!

Stop the search

With this dock, you never have to search for lost controllers anymore. You can store them safely on the dock so you always know where to find your controllers when you and your friends want to start playing.

Get the green light

The charging dock features player charging indication. It gives you the green light when your controllers are completely recharged. In this way, you know when you can fully enjoy your Switch!

Specifications

Compatible Consoles	Nintendo Switch
