Extended retailer text

Simply connect the stylish and compact Trust Yudo10 Fast Wireless Charger to your phone's USB charger with the included cable and you won't have to bother with tangled wires or lost charging cables ever again.

Touch and charge

Charging your phone was never this easy. Simply place your smartphone on the pad and it will start charging automatically, no need to plug a charger into your phone!

Next level charging

Take your phone's charging speed to the next level. The Yudo10 fast-charges Qi fast-charging compatible devices such as the Samsung Galaxy S7 & S8, you will be on your way again in no time. * The Yudo10 is not only compatible with fast-charging devices, it can also be used with other Qi wireless charging compatible devices such as the iPhone 8 and X to charge at normal speed.

Night Mode

The LED light will indicate whether your phone is charging. The light will turn off after 20 seconds, so you won't be bothered by it when using the charging pad on your nightstand for example. You can now comfortably use it wherever you prefer.

Safe to charge

This wireless charger features a silent, integrated cooling fan to prevent overheating and the anti-slip pad which keeps your device securely in place. The charger has a smart safety design with FOD (foreign object detection) which prevents metal objects from getting damaged. In this way, you are sure you can always use this device safely.
