Convenient control

Settle in and get comfortable! With the wireless remote control, you can turn up, down or mute the sound without getting up from the couch. It also gives you the possibility to plug in your headphones for a peaceful listening experience. Control the bass separately on the subwoofer for a perfect sound setting in every situation.

Smart power management

The speaker automatically turns to standby mode after 30 minutes when not in use. As soon as you continue gaming or watching TV, the speakers will turn back on for uninterrupted playtime.
