Marketing

Extended retailer text Enjoy gaming on your Xbox without having to worry about whether your controllers are fully charged. With the GXT 237 Duo Charge Dock, you are ensured of full batteries by charging 2 original controllers at the same time.

Duo Charging Dock

The GXT 237 Duo Charging Dock works as a space-saving solution. In this way, your controllers never lie around unnecessarily on your table. Its stylish and slim design makes it the perfect companion for your Xbox!

Follow the lights

The built-in LED indicator gives you the green light when your controllers are charged. The red light indicates the controllers are still charging. If you follow the lights, you always know where your controllers stand.

Fully loaded

The package also includes two rechargeable battery packs which fully integrate with your controller. Quickly reload your controllers and you can continue your winning streak.
