## Marketing

Extended retailer text	Whether you're on a long-distance flight, trying to concentrate on your work or simply need a minute of rest; the Trust Paxo will give you that peace. Turn on the Active Noise Cancelling and you will immediately hear the
------------------------	--

difference – background noise fades and the music takes over.

Listen in peace

The Paxo can be used wirelessly via Bluetooth or connect your device via the 3.5mm cable. With a playtime of up to 7 hours with ANC or even 22 hours without ANC, you have enough time to go through your entire playlist in peace. To recharge the headphones, simply use the included USB cable.

Easy control

This pair of Bluetooth headphones connects easily and quickly with all Bluetooth devices. The conveniently placed in-ear controls and built-in microphone on the earpads give you the possibility to adjust the volume, play the next song, easily pick up incoming calls and even give you quick access to the voice assistant of your smartphone. You control your oasis of peace.

Seamless comfort

The peaceful listening experience is combined with comfort. The adjustable headband and swivelling, soft ear pads give the seamless fit you need during those long trips.
