Marketing

Extended retailer text	Playful sounds Allow your kids to safely and comfortably engage in music, movies, and fun learning software with the Trust Bino Kids Headphones. The fun and playful design make it an excellent gift for every child of four years and older!
-------------------------------	---

Colourful design

The Bino headphones are perfect for those long trips. These headphones with colourful design will keep a child entertained for hours. They can be used with a tablet, computer or TV thanks to the 3.5mm plug. The adjustable headband and soft ear pads make sure your child is comfortable at all times!

Safety first

The Bino Kids headphones feature a built-in volume limitation, which makes it safe for children to use without damaging their ears. With the in-line remote control, you can easily adjust the headphones' volume within child-friendly levels (max 85 dB). Additionally, they are made of materials compliant with the highest European standards for toys and is suitable for children of 4 years and older (EN71).
