Extended retailer text	We've all been there; the moment you want to send a message, are in the middle of a phone call, and your phone suddenly turns off. Carry the Trust Primo Thin Power Bank with 10.000 mAh capacity with you everywhere and you will always remain in contact with the world around you. Fast charging Take this power bank with you everywhere; with its ultra-thin and lightweight design, you can slip it easily into

any bag you carry with you. This portable charger has one 10W/2.1A and one 5W/1A USB port. Both of these ports have an auto-detection function to make sure your devices are charged at their maximum speed.

Reach full power

Who said small can't be powerful? This power bank charges smartphones up to 40 extra hours and tablets for up to 15 extra hours depending on your device. The battery level indicator ensures you leave home with a fully loaded external battery.

Universal compatibility

This thin power bank is compatible with all micro USB smartphones and tablets (e.g. Samsung tablets and phones). The package includes 2 micro USB charge cables so you can charge two devices at the same time! For your Apple devices, you can simply use your own Apple lightning cable. This portable charger has a Smart Protection System to make sure you can charge your devices not only fast, but also safely.

Shine bright

This is not all: despite its thin design, this power bank also features a flashlight. Whether you're having difficulty locating your keys in the dark or are out camping or hiking, with the flashlight function you'll have a light with you always.
