DPI level

With the 3-level adjustable DPI optical sensor, the Strike works at your speed. The mouse features a DPI button with which you can switch between 600 DPI, 1000 DPI and 1400 DPI.

Perfectly suited

It doesn't matter whether you're left or right handed, this mouse is made for comfortable gaming for everybody because of its ambidextrous form factor. This combined with the rubberized top cover for a firm grip makes sure you can keep on gaming with high-precision during intense gaming sessions.

Always time to play

With a wireless connection of 8 meters, the Strike has enough range for any gamer. To set up, simply put the wireless receiver in your PC or laptop and you can keep on building your in-game skills for hours. Finished playing? Store the receiver in the mouse itself or leave it in your PC or laptop.
