has three different style options: go retro with ivory white, rough it with the denim wood look or choose matte black: you're always on track.

Connect & Control

The Noma features a 1.2m cable to connect to your phone or tablet with the 3.5mm connector. Apart from being your lifeline to the latest music, the cable features a remote control with built-in microphone. You can now control music playback and even pick up your incoming calls without taking your phone out of your pocket.

Music to your ears

The Noma brings luxury to your ears. The adjustable headband makes these headphones suitable for everyone. The earpads completely encompass your ears, allowing you to listen to the latest music in comfort for hours.
