thin metal powerbank.

Body of power

Take this powerbank with you everywhere; with its ultra-thin design, you can slip it easily into any bag you’re carrying with you. The stylish, durable aluminium alloy body make it the perfect travel companion for all your chargeable devices such as your phone, Bluetooth speaker and Nintendo Switch!

Reach full power

Who said small can’t be powerful? This powerbank charges smartphones up to 40 extra hours and tablets for up to 15 extra hours depending on your device. The package includes a micro-USB cable and a USB-C cable to charge your devices or charge the powerbank.

Faster than fast

The powerbank autodetects your smartphone or tablet and charges it at the highest possible speed. This portable charger has a total power output of 18W and thanks to the Qualcomm Quick Charge 3.0 technology, your smartphone & tablet will be fully charged within no-time.

Charge and recharge

When the powerbank is empty, you can quickly recharge it via USB-C or micro-USB at a maximum speed of 2.4A. The battery level indicator shows you how much fuel your powerbank has left. The Smart Protection System makes sure you can charge your devices not only fast but also safely.
