Core content

Brand	Trust
Product type	HDD case 2.5”
Colour	Black
Key features	- Tool free click and go install system - Power and activity LED indication - USB 3.1 gen-1: supports data transfers up to 5Gbps - UASP support for faster read and write speeds at peak performance - Strong and robust design to protect the HDD even during transport
Package contents	- External HDD case - User manual
System requirements	- 2.5” SATA SSD or HDD hard drive. - USB Port

Marketing

Extended retailer text	<p>Do you have a redundant 2.5” hard disk because you’ve replaced it for an SSD for example? It is a waste not to use it! With the Azal External HDD case for 2.5” hard disks, you can keep on using your SATA SSD or HDD for example as a backup for your important files, photos and videos.</p> <p>Fast connection</p> <p>It is super easy to use, you don’t need any tools to open the case or install the disk. Simply click it in and you can start using your disk. Connect the case to your PC or laptop via USB connection. The 3.1 gen-1 USB connector makes sure you can transfer data at a speed of up to 5Gbps. The UASP support allows for even faster reading and</p>
-------------------------------	--

writing to and from storage devices at peak performance.

Portable proportions

The Azal also gives you the back-up you need for when you’re on the road. It is a strong and robust case, allowing you to take the disk everywhere safely and because it doesn’t need any external power source you can just plug it into your PC or laptop and start working. Easily put this slim backup solution into any bag and you have access to everything you need!

Easy usability

The Azal External HDD case supports all standard 2.5” SATA hard drives. The LED lights indicate power (green light) and activity status (blue light) and it will go into sleep mode after 30 minutes of not being used to save on energy. Hard disk not included.

Specifications

Weight of main unit	83 g
Height of main product (in mm)	131 mm
Width of main product (in mm)	82 mm
Depth of main product (in mm)	15 mm
Special features	Screwless design, tool free
Indicators	Activity Power
Main material	ABS
Power source	USB
Power adapter included	false
Compatible Device Types	pc laptop
Compatible Software Platforms	Windows MacOS
