Marketing

Extended retailer text	<p>Are you always on the move and always online? Then you can't afford it to run out of battery. With the 10000 mAh Trust Primo power bank you can keep your USB-devices up and running wherever you are. Its portable size makes it easy to take with you when you are travelling or during outdoor activities.</p> <p>2 USB ports</p>
-------------------------------	---

The Trust Primo power bank features 2 USB ports, with which you can simultaneously charge your smartphone and even your tablet. The 10.000 mAh battery allows you to charge your smartphone for 40 extra hours and your tablet for 15 extra hours. * With the two included Micro-USB cables, you can easily connect your devices to the power bank.

Smart and safe design

Thanks to the blue LED indicator, you can always check the battery status of the power bank and make sure you never run out of power by charging the power bank again. The Trust Primo includes a Smart Protection System, which ensures safe and fast charging of your devices.

LED light

When you're out camping, hiking or when you just need some extra light, you can also use the handy built-in flashlight of the power bank. Easily create light, whenever and wherever you need it.
