50mm speaker units and handle every situation victoriously. The virtual 7.1 surround sound makes sure you are aware of everything happening around you: anticipate your enemy’s every move!

Unplugged gaming experience

The headset works wirelessly within a range of 15 meters. Simply plug the USB receiver into your PC, laptop or PS4 and you can immediately start the song of victory. Don’t worry about an empty headset during those marathon gaming sessions, you can play for 18 hours straight without recharging the Magna Gaming headset.

Plug & Play

This headset comes with a 1-meter audio cable with 3.5mm jack plug with a 1-meter extension cable to make a wired connection. In this way, you can plug it into all your devices such as your PC, laptop, Xbox, PlayStation or Switch. The package also includes a micro USB cable to charge the headset.

Illuminated communication

This Magna headset has a strong, solid and sleek design. The built-in microphone and integrated blue LED illumination on the sides of the headset complete your gaming set-up. The microphone makes crisp and clear communication possible. Have fun with your friends and improve your team’s in-game tactics.

Long lasting comfort

The headset comes with soft and comfortable over earpads. On the earcups, you’ll find the volume control, audio mode select and volume/microphone mute switch. Also, you don’t have to bother with adjusting the headband. Its elasticity makes sure the headset is always perfectly suited to your head.
