Marketing

Extended retailer text	<p>Gaming Headset</p> <p>With the GXT 333 Goiya headset, you will move through your games with the speed of the wind. This comfortable, over-ear gaming headset with a lightweight, semi-open design can be connected to your pc, console, smartphone or tablet. Keep your cool in any game!</p>
------------------------	--

- Powerful sound

The Goiya features powerful 40mm speaker units which transmit every detail directly. With its detailed sound, you will get wind of your enemies quickly, so you can surprise them with the howls of your attack.
- Keeping cool

The Goiya has a special, lightweight design with soft and comfortable over-ear pads and adjustable headband. The semi-open earcups will keep you cool during heated gaming sessions. With the rotatable microphone, you can talk with your teammates as if you're in the same room. Its clear sound makes sure you won't be defeated anymore by miscommunication!
- Connect and control

This headset has an inline remote with volume control and microphone mute to instantly control your gaming sounds. Connect the headset via the 1m cable to your console or use the 1m extension cord for easy connection with your PC.
- Goiya on the go

Use the extra provided 1m cable with an inline microphone to connect the Goiya to your smartphone. You can now take the Goiya wherever you want!
