Marketing

Extended retailer text Cast your gaming sounds in iron with the GXT 4376 Ruptor Gaming Headset. Connect this 7.1 surround sound headset to your PC or laptop and you will stand strong against all your gaming enemies.

The power of sound

The GXT 4376 has powerful 50mm speaker units with 7.1 surround sound. It delivers clear high and deep tones as well as a rich bass for a detailed and immersive sound experience. The included software allows you to adjust the 7.1 sound and equalizer to your needs. And this is not all you will hear; the flexible microphone can be perfectly placed in front of your mouth and offers clear voice quality for better in-game chats.

Shining armour

Stay fully concentrated on your game at all times. For easy control of your gaming sounds, you can use the volume control and microphone mute switch on the earcup: Also, the white LED illumination on the sides of the headset ensures an attractive design: you are armed for greatness.

Comfortably in control

The Ruptor headset has a 2m USB cable to connect it to your PC or laptop. It features soft and comfortable over-ear pads, made for those long gaming sessions. Additionally, the headband is self-adjustable for a perfect fit on every head. With the Ironn, your gaming reflexes will never go rusty.
