<b>System requirements</b>	<ul style="list-style-type: none"><li>- Charger or computer with USB port (to charge the battery)</li></ul>

### Marketing

<b>Extended retailer text</b>	The ultra-thin Ula Powerbank with 8.000 mAh battery will go everywhere with you. It is the powerbank to charge your smartphone or tablet instantly when necessary. Don't bother with looking for power sockets when you're on the road, with the Ula you can keep moving at full power constantly!
-------------------------------	--

#### Hungry for power

This powerbank charges your power-hungry smartphones up to 32 extra hours and tablets for up to 12 extra hours depending on your devices. The battery level indicator ensures you will leave home with a fully loaded external battery.

#### Speed it up

With its ultra-thin and lightweight design, you can slip this powerbank into any bag you carry with you. The stylish and durable aluminium alloy body of only 10mm thickness contains a powerful 8.000 mAh battery. The powerbank has one USB port to charge your smartphone, tablet, Bluetooth speaker/headphone or any other device!

#### For everyone, everywhere

The thin powerbank is compatible with all smartphones and tablets. The package includes a micro USB charge cable to charge all your micro USB smartphones and tablets such as Samsung tablets and phones. For your Apple devices, you can simply use your own Apple lightning cable. This portable charger has a Smart Protection System to make sure you can charge your devices not only fast but also safely.
