charging ports, one charges with 5W/1A and the other charges with 12W/2.1A. Both ports have an auto-detection function to make sure your devices are charged at their maximum speed.

Fully loaded

The Primo Power Bank charges smartphones up to 64 extra hours and tablets for up to 24 extra hours depending on your device. Use a 2A USB charger to recharge your power bank at maximum speed to get you going again quickly. The battery level indicator ensures that you will leave home with a fully loaded battery.

Universal compatibility

The package includes one micro USB charge cable to connect your power bank easily to your devices. The cable is compatible with all USB smartphones and tablets (e.g. Samsung tablets and phones). For your Apple devices, you can use your own Apple lightning cable.

Smart and safe

The Smart Protection System makes sure you can charge your devices not only fast, but also safely.
