No strings attached

The earphones offer a secure fit for all your daily activities. Connect your phone and you won't be bothered by tangled wires that keep interfering with your movements. The flexible rubber ear hooks keep the earphones securely in place and because of its in-ear design, it delivers a clear sound and deep bass. So whether you're commuting to work, going for a walk or are simply dancing to your favourite music, you will enjoy your sounds comfortably.

On the go

You can navigate easily through your music and adjust the volume with the inline remote. Even when you're on the go, you'll have quick access to the voice assistant of your smartphone and don't have to take out your phone to pick up a call. The earphones have a playtime of up to 3 hours on a single charge and the battery is easily recharged with the included USB cable.

Specifications

Total weight	27 g
Weight of main unit	27 g
Height of main product (in mm)	35 mm
Width of main product (in mm)	565 mm
Depth of main product (in mm)	25 mm
Background noise reduction	false
Noise reduction	false
Software	false
