Marketing

Extended retailer text	<p>The Dona is a handy and stylish on-ear headphone that you can easily take with you every day. These foldable and adjustable wireless Bluetooth headphones are ideal for a wireless sound experience!</p> <p>All the time, in no time</p>
-------------------------------	---

Simply connect via Bluetooth for that unplugged experience with up to 7 hours of playtime. You can use these headphones wirelessly within a range of 10 meters. No Bluetooth available? Use the included 3.5mm cable to make a wired connection or play your music easily from a micro SD card.

Carry your style

Always travel in style with these headphones. The urban look makes it perfect for those city endeavours and outdoor adventures. Done listening? Simply fold the headphone up and put it in your bag for easy storage. To charge the Dona, plug in the included cable in your USB charger and you're on your way again in no time.

Comfortable listening

No need to take your phone out of your pocket, you'll have full control over your music. Change, play and pause your tracks and even pick up your incoming calls with the conveniently placed buttons on the earcups. You can enjoy hands-free calling while on your way to work or simply strolling through the city. The soft on-ear cushions and adjustable headband makes sure you'll have a comfortable listening experience. Take the Dona everywhere with you and never miss a beat!
