Listen up

With the adjustable microphone, you can comfortably chat with your friends while gaming. You'll have distortion-free, crystal clear audio. In this way, you will not miss a word when talking to your teammates during those heated battles. Not only the earcups are illuminated, also your microphone radiates a blue light.

All in line

The GXT 410 has a nylon braided cable of 2m which allows you to move around freely during gaming sessions without your wires tangling up. The cable includes an inline remote with volume control and microphone mute: you will be soundly in control.
