### Marketing

<b>Extended retailer text</b>	Embrace the future of wireless charging with the Fyber10 Fast Wireless Charger for smartphones. The stylish fabric look and ultra-thin design of this wireless charger make it the perfect stand for at home or at the office.
-------------------------------	--

#### Power flow

The Fyber10 makes wireless charging simple. Place it on an easy to reach spot such as your desk or nightstand, put your phone on the pad and charging will start automatically. The pad works with any USB charger of 2A or more and included in the package is a micro-USB cable to get started right away. It will charge all Qi-compatible phones from all brands!

#### Charging for all

The Fyber10 fast-charges Qi compatible devices such as the Samsung Galaxy S7 & S8, Note 8 and LG V30 at 10W speed and the iPhone 8 and X at 7.5W speed. But the Fyber10 is not only compatible with fast-charging devices, it can also be used with all other Qi compatible devices such as the Samsung Galaxy 6, LG G3 and G4 to charge at normal 5W speed. The pad will automatically detect the highest possible charging speed, so your whole family can use it!

#### Safe to charge

The Fyber10 is certified by the Wireless Power Consortium (WPC) to ensure optimal reliability. The charger also has a smart safety design with foreign object detection to prevent over-heating of metal objects.

## Specifications

<b>Weight of main unit</b>	65 g
<b>Height of main product (in mm)</b>	110 mm
