## Marketing

Extended retailer text	<p>The GXT 706 Rona Gaming Chair with retractable footrest and mesh backrest will seat you comfortably in front of the computer to pursue your gaming victories. It brings an effortless combination of functionality, ergonomics and style to your gaming set-up.</p> <p>Full support</p> <p>So get seated and start growing your gaming abilities. The Rona has a wide range of recommendable height: between 150cm and 190cm. The class 4 gas lift lets you position the seating at the right height for you. With its</p>
------------------------	---

adjustable features, this gaming chair supports you greatly during your progress towards the top.

Adjust accordingly

The backrest with 45 degrees adjustable angle and locking possibilities allows you to look at your screen at the perfect angle at all times. Going for an evening of full-out gaming? You don't have to worry about the heat: the mesh material prevents a sweaty back and the padded armrest will keep you upright during your games for full support.

Just relax!

The retractable footrest allows for versatile use of the Rona. You can work upright at your desk or transform the Rona into a relaxing chair for, for example, console gaming in the evening. Pull and flip the footrest and you're ready to get settled.

Durable gaming

The chair is fully 360° rotatable for free, easy movement. The robust frame combined with the 5-star wheel can carry weight up to 120kgs and equips you with stability. The durable, double wheels will roll you smoothly through your game towards new adventures!
