## Marketing

| Extended retailer text | **Just listen** |
|---|---|
| | The Trust Lino XL 2.0 Bluetooth Wireless Soundbar is a versatile speaker that will enliven all your entertainment experiences, such as watching TV, listening to music and gaming. Its peak power output of 120W ensures room-filling, crystal clear sound. With its 75cm length, it is a perfect match with modern televisions, while providing powerful sound and a wide stereo soundscape. |
| | **Sounding style** |
| | The Lino XL comes with a digital amplifier with DSP technology and two 2.25" drivers. The DSP technology optimizes the sound to give you a broader and more detailed sound experience in 3D virtual surround mode. Place this stylish soundbar with metal grille beneath your TV or mount it to the wall with the included wall mount. |
| | **Various entertainment** |
| | With the included cables, you can choose between digital (optical) and analogue (3.5mm/cinch) audio input. The connection options are numerous; you can connect this soundbar to your TV, console, set-top box, smartphone or tablet, plug in a USB filled with your favourite mp3 music files or even go for a wireless connection by connecting your phone or tablet via Bluetooth. The choice is yours! |
| | **Smart management** |
| | For easy control, use the wireless remote control or the buttons on the side of the soundbar. It also comes with built-in Smart Power Management mode. To save on energy, it automatically goes into standby mode when not in use. |
