<b>System requirements</b>	- 3.5mm audio connection - 100-240V wall power connection

### Marketing

<b>Extended retailer text</b>	<p>Enjoy quality</p> <p>An overwhelming bass power, high-quality sound and an rugged gaming design: these features combined in the Torro Illumination 2.1 Speaker Set will change your gaming experience forever. Crushing in-game explosions, the roaring sounds of engines, or the crowd of live concerts: you can enjoy everything in excellent quality.</p>
-------------------------------	---

#### Fundamentals of sound

Using the 120W peak power, the Torro will fill your room with powerful sound. The satellite speakers give an optimal sound quality in the mid and high tones. This combined with the wooden subwoofer with a 7-inch speaker which produces powerful depth to your sound, ensures you'll have that full-range gaming experience.

#### Designed for gamers

The speaker has a rugged design with a pulsating LED illuminated subwoofer: you can now not only hear but also see your in-game sounds of victory! The grill of the subwoofer has a metal look and feel, combine this with the matte black satellite speakers and you get a perfect addition to any gaming set-up!

#### Everything is possible

Thanks to the included cables, you can easily connect the speaker to not only your PC, but also to your laptop, smartphone or tablet. Whatever your preference is, you can always experience a perfect sound.

#### Wireless control

With the handy wireless remote control you can easily adjust the volume, turn the speaker on or off and control the bass and lights. The control is yours!

#### Smart Power Management

The speaker automatically turns to standby mode after 80 minutes when not in use. As soon as you continue gaming or using the speakers will turn back on for uninterrupted playtime.
