Extended retailer text**Powerful and RGB-Illuminated Speaker Set**

Add new dimensions to your sound experience. With the Trust GXT 698 Torro RGB-Illuminated 5.1 Speaker Set you can enjoy powerful and high-quality surround sound with Dolby Audio™ certification, visually amplified by the RGB lightshow.

360° Surround Sound with Dolby

Make it fully immersive. With premium Dolby certified surround sound, this set delivers truly high-quality audio in a 360° soundscape. Enjoy a full cinematic experience at home; the surround sound will pull you right into any game, music track or film you put on.

Crisp Highs and Thrilling Bass

Powerful sound is redefined with the Trust GXT 698 Torro RGB-Illuminated 5.1 Speaker Set, generating impressive audio with competitive 180W peak power. The 5.1 setup includes five crisp and clear surround speakers and a thrilling subwoofer that will leave you windswept. Jointly, they make for an incredibly rich and deep sound that fills every corner of your living room or gaming room.

Mesmerising RGB Colour Experience

Experience sound visually with the speaker set's integrated RGB light show. Select the perfect colour setting from several pre-defined light modes; go for gradual colour change with breathing RGB, have it hypnotising with colour-rotation or opt for bass-synced RGB or 7 solid bass-synced colours to really get the party going.

Switch it up with Various Multimedia Input

Personalise the speaker set to your liking with the input of your choice. Included are all cables for both digital (optical) and analogue (3.5mm) input and six-channel direct (PC-soundcard) audio inputs, to connect with your PC, laptop and PS4 or Xbox One game console. With cable lengths of up to 5 meter, there are virtually no restrictions to your dream setup.

Both Wired and Wireless Control

Manage your settings easily and comfortably, both wired and wireless. Power, volume, bass and RGB light can all be adjusted to your liking with the wireless remote. Furthermore, the subwoofer's control panel allows you to change volume and source settings. And when you're done playing, the set's integrated smart power management ensures that the Torro goes into stand-by when not in use.
