## Marketing

**Extended retailer text**

Rather than the standard right-handed mice, the Trust Lagau wireless mouse is perfectly made for everybody who prefers using their mouse with their left hand. This combined with a precise optical sensor, wireless usability and comfortable design, this mouse is the perfect addition to the left-handed workplace!

### Left-handed comfort

The left-handed Lagau mouse comes with sensible design. It fits smoothly in your hand and has a thumb rest for extra comfort. The sides have a rubber coating which ensures maximum grip for optimal, long-lasting control. The modern design makes this mouse everything you need at home or at the office.

#### Accurate control

Simply plug the micro-USB receiver into a USB port and you have access to an 800/1200/1600 dpi optical sensor for accurate control. Switch dpi with the dedicated button or browse quickly through different web pages with the two thumb buttons.

#### Smart use

Keep your desk clean and experience the convenience of a wireless mouse. The storable receiver of this mouse allows it to work wirelessly within a range of 8 meters. It also features an on/off switch to save on energy by turning off the mouse when you are not using it.
