## Marketing

Extended retailer text	<p>The power of sound</p> <p>Gaming legends aren't built in one day. The GXT 455 Torus is your durable headset with powerful sound and customizable RGB LED illumination which will stay with you all the way to the top.</p>
------------------------	---

Illuminated design

The LED illumination on the sides of the headset ensures an attractive design. With the large light colour knob on the right ear cap, you can choose a single colour or a full RGB colour cycle. For easy control of your gaming sounds, use the volume control and microphone mute switch on the left earcup; you're in control.

Comfortably in control

The Torus headset features soft and comfortable mesh over-earpads for breathability during those long gaming sessions. The metal-reinforced adjustable headband and tilting earcups make sure the Torus will suit every gamer perfectly.

Foldable microphone

Connect the 2.2m braided USB cable to your PC or laptop and you're ready to play! The clear gaming sounds are not all you will hear; the foldable microphone with LED mute indicator can easily be placed in front of your mouth and offers clear voice quality for better in-game chats.

Specifications

Total weight	343 g
Height of main product (in mm)	215 mm
Width of main product (in mm)	180 mm
Depth of main product (in mm)	96 mm
Accessories	2x 3.5mm adapter cable
Background noise reduction	false
