Package contents	- USB-C PD wall charger
System requirements	- 100-240V wall power socket - USB-C charge cable supplied with your device

Marketing

Extended retailer text	<p>Advanced technology</p> <p>With the advanced Velox18 USB-C fast-charger, your smartphone and tablet will be charged faster than ever! The charger works with any USB-C compatible phone and also with iPhone. With the Power Delivery (PD) 3.0 and Quick Charge (QC) 4+ technologies, the charger will charge any phone at its highest possible charging speed. You're on your way in no time!</p>
-------------------------------	---

Powerful output

With its 18W power output, it charges phones with Power Delivery up to 4 times faster than a regular 5W charger. Velox18 is compatible with phones and tablets by Apple, Samsung and other brands. For example; the iPhone Xs will charge to 50% in only 30 minutes when using the Velox18! The charger is also compatible with Quick Charge 2.0, 3.0 and 4.0 technologies for a wide range of usability.

Travel companion

The compact design makes it perfect to take with you, no matter where you're going. The charger works at 100V up to 240V which means that you can charge your phone anywhere in the world with an appropriate adapter plug.
