Marketing

Extended retailer text	Charging your phone at any location at the highest possible speed, what more do you need? Whether you're travelling, out until late at night or running a marathon of business appointments, the durable Luco Powerbank with 5.000 mAh battery is compatible with all phones and tablets to keep you going for days.
-------------------------------	--

Top it up

This powerbank can fast-charge your devices with a power output up to 10W/2.1A. Because of the 5.000mAh battery, the Luco can charge phones for up to 20 extra hours and tablets for up to 8 extra hours of use depending on your device and battery condition.

Ideal travel companion

The Luco has a stylish and durable aluminium alloy body. This does not only look good but allows you to carry the powerbank everywhere with you safely. Also, it is UN38.3-certified which means that it is perfectly safe to fly with this powerbank. It will go with you everywhere!

Smart charging

Thanks to the LED indicator, you can always check the battery status and make sure you never run out of power. The Luco also includes a Smart Protection System to ensure safe and fast-charging of your devices. You can use the included micro-USB cable to quickly recharge the powerbank.

Specifications

Total weight	141 g
Weight of main unit	131 g
