No friction

The hard base layer of the Qlide gaming mousepad ensures low friction. Regardless of what gaming mouse or settings you use, every mouse movement is perfectly translated into cursor movement. Plug in the 2m braided cable and you can start gaming on the large surface area (350x250x4mm) with non-slip rubber base.

Wireless charging

Charge your phone while gaming with the built-in wireless charger. You don't need an extra cable, simply place your Qi-compatible smartphone (such as iPhones 8, X and Samsung S6, S7 and S9) on the top right corner of the pad and it will start charging your phone automatically. The Qlide supports 5W, 7.5W and 10W charging mode to fast-charge all phones!
