Get it done

The Trust Mezza Wireless Keyboard with Mouse is your set for the office or at home. Connect the keyboard and mouse via the wireless receiver to your laptop or PC and you can focus on the task before you. With the Mezza set, you are ensured of optimal, long-lasting comfort while working.

Dedicated control

The Mezza keyboard comes with a number pad and has 25 multimedia function keys with short-cuts to most commonly used Windows functions. These keys allow you to adjust the volume, go the next song or start a search for example, with just one click of a button. The low-profile keys with soft keystroke give you an easy, comfortable typing experience. And this is not all, foldable feet, full-size layout and palm rest make sure you can work ergonomically.

Ergonomic use

The set comes with a wireless mouse with ergonomic thumb rest for a firm grip. The optical sensor (1000/1400/1800 DPI) and 2 thumb buttons for browser back and next allow you to do your everyday work quickly and accurately.

Set to work

Want to use the Trust Mezza set? Thanks to the USB micro-sized receiver, you are able to connect both devices at the same time. The receiver allows the Mezza set to work wirelessly within a range of 10 meters. When you are finished using it, you can easily store the receiver in the mouse or simply leave it in your laptop or PC.
