Get it done

The Trust Tecla-2 Wireless Multimedia Keyboard with mouse is your set to get work done. Connect via the wireless receiver and you can focus on the task before you at home, or at the office.

Key to control

The Tecla-2 keyboard has eleven direct multimedia keys and twelve additional special function keys that allow you to adjust the volume, start a search or go to your homepage and open your emails with just one click of a button. This combined with the full-size layout, numeric pad and isolated keys make sure you will get your work done quickly and efficiently.

Integrated ergonomics

With its low-profile silent keys with a soft and quiet keystroke, you are set for easy typing. The keyboard also features an integrated palm rest for extra comfort. You are now ensured of good grip and long-lasting comfort.

Comfortable click

Adjust the DPI of the Tecla-2 mouse by pressing the dedicated button (800/1200/1600 DPI) and use the two thumb buttons to quickly go through different pages. This combined with the ergonomic design of the mouse, allows you to work comfortably for hours.

Set to work

The receiver allows the mouse and keyboard to work wirelessly within a range of 10 meters. When you are finished using it, you can easily store the receiver in the mouse or simply leave it in your laptop/pc.
