Noise-isolating earcups

To stay fully focused on the challenge before you, the Wayman Pro Esports Headset comes with large, fully enclosing and noise isolating ear pads. You won't be distracted by your surroundings, just listen to the sounds coming from the powerful 50mm speaker units.

Ultra-comfortable headset

Because of its tilting earcups and the adjustable headband, the Wayman headset will suit every gamer. Its lightweight design and low-pressure soft leatherette cushioned ear pads allow you to wear the headset without any discomfort during long play sessions. Get ready to show your skills!

Highly sensitive microphone

The Wayman comes with a highly sensitive, unidirectional microphone with pop filter for crystal-clear communications with your teammates. Discuss your strategy and lead your team to victory.

Versatile connectivity options

The headset is designed for multiplatform use. Plug the 1m cable into your game controller, or extend the cable easily with the 1m extension cable for use with your PC and experience ultimate in-game sounds. The in-line remote allows you to adjust the volume as well as mute the microphone when you don't want to be heard.
